BUREAU OF AGRICULTURAL AND INDUSTRIAL CHEMISTRY

SALARIES AND EXPENSES

For investigations, experiments, and demonstrations hereinafter authorized, including the employment of necessary persons and means in the city of Washington and elsewhere, of which not to exceed \$202,274 may be expended for personal services in the District of Columbia, as follows:

12 Stat. 387.

Agricultural chemical investigations: For conducting the investigations contemplated by the Act of May 15, 1862 (5 U. S. C. 511, 512), relating to the application of chemistry to agriculture; for the biological, chemical, physical, microscopical, and technological investigation of foods, feeds, drugs, plant and animal products, and substances used in the manufacture thereof; for investigations of the physiological effects and for the pharmacological testing of such products and of insecticides; for the investigation and development of methods for the manufacture of sugars, sugar sirups, and starches and the utilization of new agricultural materials for such purposes; and for the technological investigation of the utilization of fruits and vegetables and for frozen pack investigations; \$461,500.

49 Stat. 653.

Naval-stores investigations: For the investigation of naval stores (turpentine and rosin) and their components; the investigation and experimental demonstration of improved equipment, methods, or processes of preparing naval stores; the weighing, storing, handling, transportation, and utilization of naval stores; and for the assembling and compilation of data on production, distribution, and consumption of turpentine and rosin, pursuant to the Act of August 15, 1935 (5 U. S. C. 556b), \$140,000.

52 Stat. 37.

Regional research laboratories: For continuing the researches established under the provisions of section 202 (a) to 202 (e), inclusive, of title II of the Agricultural Adjustment Act of 1938 (7 U. S. C. 1292), including research on food products of farm commodities, \$4,450,000.

BUREAU OF HUMAN NUTRITION AND HOME ECONOMICS

Salaries and expenses: For necessary expenses, including not to exceed \$300,202 for personal services in the District of Columbia, of the Bureau of Human Nutrition and Home Economics for conducting investigations of the relative utility and economy of agricultural products for food, clothing, and other uses in the home, with special suggestions of plans and methods for the more effective utilization of such products for these purposes, and such economic investigations, including housing and household buying, as have for their purpose the improvement of the rural home, and for disseminating useful information on this subject, \$917,000.

WHITE PINE BLISTER RUST CONTROL

54 Stat. 168.

Availability of funds
for designated agen-
cies.

For expenses necessary to enable the Secretary to carry out the purposes of the Act entitled "An Act for forest protection against the white pine blister rust", approved April 26, 1940 (16 U. S. C. 594a), and in accordance with the provisions thereof, including the employment of persons and means in the District of Columbia and elsewhere, \$6,000,000, of which amount \$646,418 shall be available to the Department of the Interior for control of white pine blister rust on or endangering Federal lands under the jurisdiction of that Department or lands of Indian tribes which are under the jurisdiction of or retained under restrictions of the United States; \$2,599,471 of said amount to the Forest Service for the control of

white pine blister rust on or endangering lands under its jurisdiction; and \$2,754,111 of said amount to the Bureau of Entomology and Plant Quarantine for leadership and general coordination of the entire program, method development, and for operations conducted under its direction for such control, including, but not confined to, the control of white pine blister rust on or endangering State and privately owned lands.

FOREST SERVICE

SALARIES AND EXPENSES

For the employment of persons and means in the District of Columbia and elsewhere, including not to exceed \$1,003,710 for departmental personal services in the District of Columbia, and not to exceed \$10,000 for employment pursuant to the second sentence of section 706 (a) of the Organic Act of 1944 (5 U. S. C. 574), the maintenance, repair, and operation of one passenger automobile in the District of Columbia, and to enable the Secretary to experiment and to make and continue investigations and report on forestry, national forests, forest fires, and lumbering, but no part of this appropriation shall be used for any experiment or test made outside the jurisdiction of the United States; to advise the owners of woodlands as to the proper care of the same; to investigate and test American timber and timber trees and their uses, and methods for the preservative treatment of timber; to seek, through investigations and the planting of native and foreign species, suitable trees for the treeless regions; to erect necessary buildings: *Provided*, That the cost of any building purchased, erected, or as improved, exclusive of the cost of constructing a water-supply or sanitary system and of connecting the same with any such building, and exclusive of the cost of any tower upon which a lookout house may be erected, shall not exceed \$10,000, with the exception that any building erected, purchased, or acquired, the cost of which was \$10,000 or more, may be improved out of the appropriations made under this Act for the Forest Service by an amount not to exceed 2 per centum of the cost of such building as certified by the Secretary; to protect, administer, and improve the national forests, including tree planting and other measures to prevent erosion, drift, surface wash, soil waste, and the formation of floods, and to conserve water; to ascertain the natural conditions upon and utilize the national forests, to transport and care for fish and game supplied to stock the national forests or the waters therein; to collate, digest, report, and illustrate the results of experiments and investigations made by the Forest Service; to purchase lawbooks, reference and technical books, and technical journals for officers of the Forest Service stationed outside of Washington: *Provided*, That not to exceed \$50,000 of the appropriation for "National forest protection and management", and not to exceed \$50,000 of the appropriation for "Forest fire cooperation" may be transferred to the appropriation "Printing and binding, Department of Agriculture", for forest fire prevention posters and related printed material, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of the Chief Forester at \$10,000 per annum, for the necessary expenses of the National Forest Reservation Commission as authorized by section 14 of the Act of March 1, 1911 (16 U. Flood control: For expenses necessary to enable the Secretary to perform works of improvement authorized by section 13 of the Act of December 22, 1944 (Public Law 534), including personal services in the District of Columbia; \$2,100,000, to be immediately available and to remain available until expended, which sum shall be merged with the unexpended balances of funds heretofore transferred to the Department from the appropriation "Flood control, general", Corps of Engineers, War Department, for the purposes of the Flood Control Act of June 22, 1936, as amended (33 U. S. C., ch. 15): *Provided*, That no part of such funds shall be used for the purchase of lands in the Yazoo and Little Tallahatchie watersheds without specific approval of the County Board of Supervisors of the county in which such lands are situated.

SOIL CONSERVATION SERVICE

49 Stat. 163.
16 U. S. C., Supp.
V, § 690f.

To carry out the provisions of "An Act to provide for the protection of land resources against soil erosion, and for other purposes", approved April 27, 1935 (16 U. S. C. 590a-590f), which provides for a national program of erosion control and soil and water conservation, including the employment of persons and means in the District of

Columbia and elsewhere (but not to exceed \$1,027,000 may be expended for personal services in the District of Columbia), purchase of books and periodicals, purchase, maintenance, repair, and operation of one passenger-carrying automobile in the District of Columbia, furnishing of subsistence to employees, operation and maintenance of aircraft, and the purchase and erection or alteration of permanent buildings: *Provided*, That the cost of any building purchased, erected, or as improved, exclusive of the cost of constructing a water supply or sanitary system and connecting the same with any such building, shall not exceed \$2,500 except where buildings are acquired in conjunction with land being purchased for other purposes and except for eight buildings to be constructed at a cost not to exceed \$15,000 per building: *Provided further*, That no money appropriated in this Act shall be available for the construction of any such building on land not owned by the Government: *Provided further*, That in the State of Missouri where the State has established a central State agency authorized to enter into agreements with the United States or any of its agencies on policies and general programs for the saving of its soil by the extension of Federal aid to any soil conservation district in such State, the agreements made by or on behalf of the United States with any such soil conservation district shall have the prior approval of such central State agency before they shall become effective as to such district, as follows:

Cost of buildings.

Construction on land not owned by Government.

Central State agency, Missouri.

Soil conservation research: For research and investigations into the character, cause, extent, history, and effects of erosion, soil and moisture depletion and methods of soil and water conservation (including the construction and hydrologic phases of farm irrigation and land drainage, and water regulation to conserve the soil and reduce fire hazards in the Everglades region of Florida, except that expenditures for all work in the Everglades region shall be limited to a sum not in excess of funds made available for such work by the State of Florida, or political subdivisions thereof); and for construction, operation, and maintenance of experimental watersheds, stations, laboratories, plots, and installations, \$1,278,000.

Everglades region, Fla.

Soil conservation operations: For carrying out preventive measures to conserve soil and water, including such special measures as may be necessary to prevent floods and the siltation of reservoirs, and including the improvement of farm irrigation and land drainage, the establishment and operation of conservation nurseries, the making of conservation plans and surveys, and the dissemination of information, \$39,300,000: *Provided*, That no part of this appropriation may be expended for soil and water conservation operations in demonstration projects.

Demonstration projects.

For all expenses necessary to enable the Secretary to carry into effect the provisions of sections 7 to 17, inclusive, of the Soil Conservation and Domestic Allotment Act, approved February 29, 1936, as amended (16 U. S. C. 590g-590q), and the provisions of the Agricultural Adjustment Act of 1938, as amended (7 U. S. C. 1281-1407) (except the provisions of sections 201, 202, 303, 381, and 383 and the provisions of titles IV and V), including personal services in the District of Columbia and elsewhere; not to exceed \$6,000 for the preparation and display of exhibits, including such displays at State, interstate, and international fairs within the United States; purchase of lawbooks, books of reference, periodicals; \$259,246,000, together with \$42,500,000 of the unobligated balances for the fiscal years 1944, 1945, and 1946 of the funds appropriated by section 32 of the Act entitled "An Act to amend the Agricultural Adjustment Act, and for other purposes", approved August 24, 1935 (7 U. S. C. 612 (c)); in all, \$301,746,000, to remain available until December 31, 1947, for compliance with programs under said provisions of the Agricultural Adjustment Act of 1938, as amended, and the Act of February 29, 1936, as amended, pursuant to the provisions of the 1946 programs carried out during the period July 1, 1945, to December 31, 1946, inclusive, and, in addition, \$12,500,000 for making additional payments on an acreage and pound basis for harvesting seeds of grasses and legumes determined by the Secretary to be necessary for an adequate supply of such seeds; in all, \$314,246,000: *Provided*, That not to exceed \$27,942,888 of the total sum provided under this head shall be available during the current fiscal year, for salaries and other administrative expenses for carrying out such programs, the cost of aerial photographs, however, not to be charged to such limitation; but not more than \$7,886,480 shall be transferred to the appropriation account, "Administrative expenses, section 392, Agricultural Adjustment Act of 1938": *Provided further*, That none of the funds herein appropriated or made available for the functions assigned to the Agricultural Adjustment Agency pursuant to the Executive order (No. 9069) of February 23, 1942, shall be used to pay the salaries or expenses of any regional information employees or any State or county information employees, but this shall not preclude the answering of inquiries or supplying of information to individual farmers: *Provided further*, That such amount shall be available for salaries and other administrative expenses in connection with the formulation and administration of the 1947 programs (amounting to \$300,000,000, including administration) of soil-building practices and soil- and water-conservation practices, under the Act of February 29, 1936, as amended, and programs under the Agricultural Adjustment Act of 1938, as amended; but the payments or grants under such program shall be conditioned upon the utilization of land with respect to which such payments or grants are to be made, in conformity with farming practices which will encourage

and provide for soil-building and soil- and water-conserving practices in the most practical and effective manner and adapted to conditions in the several States, as determined and approved by the State agricultural conservation committee for the respective States: *Provided further*, That the Secretary, may, in his discretion, from time to time transfer to the General Accounting Office such sums as may be necessary to pay administrative expenses of the General Accounting Office in auditing payments under this item: *Provided further*, That such amount shall be available for the purchase of seeds, fertilizers, lime, trees, or any other farming materials, or any soil-terracing services, and making grants thereof to agricultural producers to aid them in carrying out farming practices approved by the Secretary in the 1946, 1947, and 1948 programs under said Act of February 29, 1936, as amended: *Provided, however*, That the Secretary of Agriculture is authorized and directed to make payments to farmers who complied with the terms and conditions of the agricultural conservation programs, formulated pursuant to sections 7 to 17, inclusive, of the Soil Conservation and Domestic Allotment Act, as amended, if the Secretary determines that, because of induction into the armed forces of the United States, such farmers failed to file, or were prevented from filing, applications for payment under any such program during the period the applicable appropriation for such program was available for obligation, such payments to be made out of the unobligated balance of the appropriation, "Conservation and use of agricultural land resources", in the Department of Agriculture Appropriation Act, 1946: *Provided further*, That an application for payment on the prescribed form is filed by any such farmer (or the person entitled to payment in case of death, disappearance, or incompetency of the farmer under regulations issued pursuant to section 385 of the Agricultural Adjustment Act of 1938, as amended (7 U. S. C., 1940 edition, 1385)) within one year from the date of his discharge from the armed forces, or by December 31, 1946, whichever is later: *Provided further*, That no part of any funds available to the Department, or any bureau, office, corporation, or other agency constituting a part of such Department shall be used in the current fiscal year for the payment of salary or travel expenses of any person who has been convicted of violating the Act entitled "An Act to prevent pernicious political activities", approved August 2, 1939, as amended, or who has been found in accordance with the provisions of section 6 of the Act of July 11, 1919 (18 U. S. C. 201), to have violated or attempted to violate such section which prohibits the use of Federal appropriations for the payment of personal services or other expenses designed to influence in any manner a Member of Congress to favor or oppose any legislation or appropriation by Congress except upon request of any Member or through the proper official channels.

Such sums shall be in addition to, and not in substitution for, other appropriations made by or for the purposes of such section 32: *Provided*, That not exceeding \$75,000,000 of the funds appropriated by and pursuant to such section 32 may also be used during the fiscal year 1947, without regard to the 25 per centum limitation contained in said section 32, to carry out the purposes and provisions of the National School Lunch Act, approved June 4, 1946 (Public Law 396), such amount to be exclusive of funds expended in accordance with the last sentence of section 9 of the National School Lunch Act.

MARKETING SERVICES

For the employment of such persons and means in the city of Washington and elsewhere (including not to exceed \$2,434,764 for departmental personal services in the District of Columbia) as may be necessary in conducting investigations, experiments, and demonstrations, as follows:

Market news service: For collecting, publishing, and distributing, by telegraph, mail, or otherwise, timely information on the market supply and demand, commercial movement, location, disposition, quality, condition, and market prices of livestock, meats, fish, and animal products, dairy and poultry products, fruits and vegetables, peanuts and their products, grain, hay, feeds, cottonseed, and seeds, and other agricultural products, \$1,320,972.

Market inspection of farm products: For enabling the Secretary to investigate and certify, in one or more jurisdictions, to shippers and other interested parties the class, quality, and condition of cotton, tobacco, fruits, and vegetables, whether raw, dried, canned, or otherwise processed, poultry, butter, hay, and other perishable farm products when offered for interstate shipment or when received at such important central markets as the Secretary may from time to time designate, or at points which may be conveniently reached therefrom under such rules and regulations as he may prescribe, including payment of such fees as will be reasonable and as nearly as may be to cover the cost for the service rendered, \$536,000.

Marketing farm products: For acquiring and diffusing among the people of the United States useful information relative to the needed supplies, standardization, classification, grading, preparation for market, handling, transportation, storage, and marketing of farm and food products, including the demonstration and promotion of the use of uniform standards of classification of American farm and food products throughout the world for making analyses of cotton fiber as provided by the Act of April 7, 1941 (7 U. S. C. 473d), and for expenses necessary to enable the Secretary to perform functions vested in him by Executive Orders 9280, 9310, 9322, 9328, 9334, and 9577, including not to exceed \$10,000 for employment pursuant to the second sentence of section 706 (a), and not to exceed \$20,000 for transportation, per diem, and other necessary expenses pursuant to section 706 (b) of the Organic Act of 1944 (5 U. S. LOANS, GRANTS, AND RURAL REHABILITATION

Assistance to needy
farmers.

To enable the Secretary to continue to provide assistance through rural rehabilitation and grants to needy farmers in the United States, its Territories and possessions, including (1) loans to needy individual farmers, (2) grants, (3) making and servicing of loans and grants under this and prior laws, (4) farm debt adjustment service, (5) liquidation as expeditiously as possible of Federal rural rehabilitation projects, and (6) servicing and collecting loans made under the provisions of the Act of July 12, 1943, Public Law 140, as amended, \$24,000,000, which sum shall be also available for necessary administrative expenses incident to the foregoing, including personal services in the District of Columbia and elsewhere; not to exceed \$57,000 for employment pursuant to the second sentence of section 706 (a) of the Organic Act of 1944 (5 U. S. C. 574); purchase of lawbooks, books of reference, periodicals, and not to exceed \$1,000 for newspapers; and printing and binding: *Provided*, That the Secretary shall transmit to the Congress semiannually a progress report with respect to the liquidation of Federal rural rehabilitation projects, under his supervision, showing by name and by States all dispositions of such projects, or parts thereof, together with the amounts of Federal funds expended in the process of liquidation, and any losses incurred in the use of such funds.

to Congress.

In making any grant payments under this Act, the Secretary is authorized to require with respect to such payments the performance of work on useful public projects, Federal and non-Federal, including work on private or public land in furtherance of the conservation of natural resources, and the provisions of the Act of February 15, 1934 (5 U. S. C. 796), as amended, relating to disability or death compensation, and benefits shall apply to those persons performing such work: *Provided*, That this section shall not apply to any case coming within the purview of the workmen's compensation law of any State, Territory, or possession, or in which the claimant has received or is entitled to receive similar benefits for injury or death.

5 U. S. C., Supp. V,
§ 796 note.

For additional funds for the purpose of making rural rehabilitation loans to needy individual farmers, who are unable to obtain credit elsewhere at comparable rates for the area where such loan is proposed to be made, the Reconstruction Finance Corporation is authorized and directed to make advances to the Secretary upon his request in an aggregate amount of not to exceed \$70,000,000. Such advances shall be made (1) with interest at not to exceed the rate of 3 per centum per annum payable semiannually; (2) upon the security of obligations acceptable to the Corporation heretofore or hereafter acquired by the Secretary pursuant to law; (3) in amounts which shall not exceed 75 per centum of the then unpaid principal amount of the obligations securing such advances; and (4) upon such other terms and conditions, and with such maturities as the Corporation may determine. The Secretary shall pay to the Corporation, currently as received by him, all moneys collected as payments of principal and interest on the loans made from the amounts so advanced or collected upon any obligations held by the Corporation as security for such advances, until such amounts are fully repaid. The amount of notes, debentures, bonds, or other such obligations which the Corporation is authorized and empowered to issue and to have outstanding at any one time under the provisions of law in force on the date this Act takes effect is hereby increased by an amount sufficient to carry out the provisions of this paragraph.

None of the moneys appropriated or otherwise authorized under this caption "Loans, grants, and rural rehabilitation", shall be used for (1) the purchase or leasing of land or for the carrying on of any land-purchase or land-leasing program; or (2) the carrying on of any operations in collective farming, or cooperative farming, or the organization, promotion, or management of homestead associations, land-leasing associations, land-purchasing associations, or cooperative land purchasing for colonies of rehabilitants or tenant purchasers, except for the liquidation as expeditiously as possible of any such projects heretofore initiated; or (3) the making of loans to any individual farmer in excess of a total outstanding obligation of \$5,000 for all such loans or the making of loans to any individual farmer in excess of \$2,500; or (4) the making of loans to any cooperative association; or (5) the making of loans for the payment of dues to or the purchase of any share or stock interest in any cooperative association (except for medical, dental, or hospital services) or for any expenditure other than that deemed necessary, in the discretion of the Secretary, for the production of agricultural commodities.

The Secretary may expend funds administered by him as trustee under the various transfer agreements with the several State rural rehabilitation corporations only for purposes for which funds made available under this caption may be expended, and the limitations applicable to such funds shall also be applicable to the expenditure of such trust funds by the Secretary.

The appropriation and authorizations herein made under the heading "Loans, grants, and rural rehabilitation", shall constitute the total amount to be available for obligation under this heading during the current fiscal year and shall not be supplemented by funds from any source.

No part of the appropriation herein made under the heading "Loans, grants, and rural rehabilitation", shall be available to pay the compensation of any person appointed in accordance with the civil-service laws.

GENERAL PROVISIONS

Limitations respecting loans and advances.

SEC. 2. No part of any appropriation contained in this Act or authorized hereby to be expended shall be used to pay the compensation or expenses of any officer or employee of the Department, or any bureau, office, agency, or service of the Department, or any corporation, institution, or association supervised thereby, who makes or approves, or directs or authorizes any other officer or employee of the Department or of any such bureau, office, agency, service, corporation, institution, or association to make or approve, (1) any loan or advance under the provisions of food production financing bulletins F-1 or F-2, issued by the Farm Credit Administration operating under the Food Production Administration, Production Loans Branch, as heretofore or hereafter amended, unless (a) the applicant represents in writing and it is administratively determined that credit sufficient in amount to finance the production of the crops or livestock specified in the application is not available to him from sources other than the Regional Agricultural Credit Corporation or is available from other sources only on such terms and conditions that he could not use the other credit available to the extent necessary to produce the entire quantity of such crops or livestock specified in his application and (b) the person authorized to approve the loan or advance on behalf of the Regional Agricultural Credit Corporation finds that a greater quantity of the crops or livestock specified in the application would be likely to be produced if the loan or advance is made than would be produced otherwise, or (2) any loan or advance under the provisions of section 201 (e) of the Emergency Relief and Construction Act of 1932 (12 U. S. C. 1148), as amended (other than loans or advances under bulletins F-1 and F-2 made or approved on the conditions specified in this section) except (a) in regions in which loans or advances had been made under said section 201 (e) of the Emergency Relief and Construction Act of 1932 within one year prior to December 1, 1942, or (b) in any region which the Secretary shall have designated as a region in which the making of such loans or advances is necessary in order to finance the production of crops or livestock that otherwise would not be produced in such region: *Provided*, That none of the limitations provided for by this section shall apply with respect to any loan or advance made or approved at any time for the purpose of financing the completion of production undertaken before July 12, 1943, or for the purpose of protecting or preserving the security for or assisting in the collection or liquidation of any loan or advance made or approved before such date.

the appropriation "Conservation and use of agricultural land resources" may be used for the maintenance, repair, and operation of one passenger-carrying vehicle in the District of Columbia.

SEC. 4. Provisions of law prohibiting or restricting the employment of aliens shall not apply to (1) the temporary employment of translators when competent citizen translators are not available; (2) employment in cases of emergency of persons in the field service of the Department for periods of not more than sixty days; (3) employment on the emergency rubber project; (4) employment by the Rural Electrification Administration of not to exceed twenty junior engineer trainees who are citizens of other American republics; and (5) employment under the appropriation for the Office of Foreign Agricultural Relations.

SEC. 5. No part of any appropriation contained in this Act shall be used to pay the salary or wages of any person who engages in a strike against the Government of the United States or who is a member of an organization of Government employees that asserts the right to strike against the Government of the United States, or who advocates, or is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided*, That for the purposes hereof an affidavit shall be considered prima facie evidence that the person making the affidavit has not contrary to the provisions of this section engaged in a strike against the Government of the United States, is not a member of an organization of Government employees that asserts the right to strike against the Government of the United States, or that such person does not advocate, and is not a member of an organization that advocates, the overthrow of the Government of the United States by force or violence: *Provided further*, That such administrative or supervisory employees of the Department as may be designated for the purpose by the Secretary are hereby authorized to administer the oaths to persons making affidavits required by this section, and they shall charge no fee for so doing: *Provided further*, That any person who engaged in a strike against the Government of the United States or who is a member of an organization of Government employees that asserts the right to strike against the Government of the United States, or who advocates, or who is a member of an organization that advocates, the overthrow of the Government of the United States by force or violence and accepts employment the salary or wages for which are paid from any appropriation contained in this Act shall be guilty of a felony and, upon conviction, shall be fined not more than \$1,000 or imprisoned for not more than one year, or both: *Provided further*, That the above penalty clause shall be in addition to, and not in substitution for, any other provisions of existing law: *Provided further*, That nothing in this section shall be construed to require an affidavit from any person employed for less than sixty days for sudden emergency work involving the loss of human life or destruction of property, and payment of salary or wages may be made to such persons from applicable appropriations for services rendered in such emergency without execution of the affidavit contemplated by this section.

SEC. 6. Nothing contained in this Act shall be construed to alter, or modify in any manner whatsoever, the aggregate maximum personnel ceilings established by section 14 (a) of the Federal Employees' Pay Act of 1946 (Public Law No. 390) nor to authorize the compensation of a greater aggregate number than the number provided for in the aforesaid Act. In the case of any activity whose personnel may be increased in consequence of appropriations contained in this Act, the Director of the Bureau of the Budget shall recommend and

[CHAPTER 446]

AN ACT

June 22, 1946

[H. R. 5907]

[Public Law 423]

To authorize the Administrator of Veterans' Affairs to grant an easement for highway purposes to the Commonwealth of Pennsylvania, in certain lands in the reservation of the Veterans' Administration hospital, Lebanon County, Pennsylvania, and for other purposes.

Pennsylvania.
Easement for high-
way purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That for the purpose of relocating a part of the Lebanon-Buffalo Springs Road, Route Numbered 38016, the Administrator of Veterans' Affairs is authorized and directed to grant an easement to the Commonwealth of Pennsylvania for highway purposes in certain lands in the reservation of the Veterans' Administration hospital in Lebanon County, Pennsylvania, described as follows:

All that part of a strip of land sixty feet wide extending thirty feet either way from the following-described centerline and lying within the boundaries of the Veterans' Administration property: Beginning at a point in the center of existing road, Route Numbered 38016, at station one hundred and eight plus seventy-five; thence north seventeen degrees forty-two minutes west to station one hundred and eleven plus three and eighty-one one-hundredths; thence on a curve to the right, having a radius of nine hundred and fifty-five and thirty-seven one-hundredths feet to station one hundred and thirteen plus forty-nine and ninety-two one-hundredths; thence north two degrees fifty-six minutes west to station one hundred and twenty-four plus forty-one and ninety-four one-hundredths; thence on a curve to the left, having a radius of seven hundred and sixteen and seventy-eight one-hundredths feet to station one hundred and thirty plus four and twenty-three one-hundredths; thence north forty-seven degrees fifty-five minutes west to station one hundred and thirty-four plus forty-six and forty-three one-hundredths; thence on a curve to the right, having a radius of two thousand eight hundred and sixty-four and ninety-three one-hundredths feet to station one hundred and thirty-six plus forty-two and twenty-six one-hundredths; thence north forty-four degrees west to a point in center of existing road, Route Numbered 38016, at station one hundred and thirty-seven plus fifty. The above-described right-of-way is in accordance with the road plan of the Commonwealth of Pennsylvania, Department of Highways, Route Numbered 38016, section numbered 1, dated September 11, 1945.

Condition.

The grant of the foregoing easement shall be conditioned upon the vacation, abandonment, and extinguishment within a reasonable time of the presently existing easement in that strip of land described as follows:

All that part of the right-of-way of the existing Lebanon-Buffalo Springs Road lying within or bounded by the Veterans' Administration reservation, Lebanon County, Pennsylvania, and lying between the following-described points: Station one hundred eight plus seventy-five and station one hundred thirty-seven plus fifty, in accordance with the road plan of the Commonwealth of Pennsylvania, Department of Highways, Route Numbered 38016, section numbered 1, dated September 11, 1945, except that portion south of station one hundred thirteen plus twenty-five and that portion
